Year End Message

This has been an incredibly busy year for us here at Atlin School. Fall seems to be just a faint memory now and June is almost over. The students had a tremendous year of growth. Our little kindergarten students are now ready for grade one and our grade nine students are eagerly awaiting their start in the "bigger" schools in Whitehorse this September. This year has had its comings and goings, to be sure!

Ms. Maxwell started with us in the Fall, but due to sickness, she had to leave. We are happy to report that she is on the mend and we wish her well. Mr. Thorn did a great job filling in at the beginning of the school year until Ms. Baigent-Nixon arrived to teach the high school and grade 6-9 class. When Ms. Maxwell had to leave, Ms. Stephanie Parker filled in for Ms. Maxwell's teaching assignment for six weeks. She worked closely with Ms. Maxwell and she did a wonderful job for our students. Mr. Hass came to us from Delta and he filled in for Ms. Maxwell for the remainder of the term. He was a welcome and very helpful addition to our school. This Fall, we will welcome Ms. Bev Fairful, as she will be joining our staff as the principal.

So, as you can see, there were a number of changes this year. One thing, however, did not change; that is, the students' progress and the warm spirit within the school. We have had many visitors to our school this year and all have commented on the warm environment and how great our students are, not to mention their wonderful artwork all over the school. Hopefully, there won't be as many changes this coming year, but there is no doubt that the 2010-2011 school year will be every bit as busy.

As we get ready for the summer break, we'd like to take this opportunity to wish everyone a happy and safe summer vacation. We look forward to seeing everyone in September.... It really isn't very far away!!!

Best Wishes,

Sherry MacInnis and Nita Connolly

The PAC will be conducting a BBQ and Book Sale at St. Martins Square on Saturday July 10 between 11am - 3pm. The books for sale have been culled from the school library and will be sold for .50 cents each or by donation. We would like student involvement in volunteering for these tables. Please contact Dani (2413) or email atlinpac@yahoo.ca if you or your children are interested in helping out.
