Purpose:

The staff of Denetia School strives, in partnership with parents and community, to provide each student with the best educational experience possible.

Mission:

Our mission as a staff is to:

- make learning fun
- connect daily with students in an engaging manner
- love and care for our students unconditionally
- live our lives as role models
- be learning coaches
- be helpful to students
- be effective at our jobs
- ask students more questions
- be beneficial to community needs

Values:

The staff will ensure the following values guide in all interactions with students, staff, parents and community. We can be courageous and not be afraid of humility and have the ability to be ourselves. We are open with our communication and support one another with understanding and compassion. I will teach and learn with dedication and commitment to improve my skills. I will strive to understand other's points of view in a trusting and respectful manner.

Vision:

To see students, staff and community succeed in everything they do. To extend trust to each other and to the community as we learn from our mistakes. We want to respond rather than react and frame our thoughts positively in all situations and endeavours.
